

COMMISSARY PRIVILEGES

We want to help ensure everyone knows who has access to the Commissary here on Dugway, especially during this difficult time with COVID-19. The Commissary team is working diligently every day to help support our community and ensure we maintain stock for all authorized patrons. If you are normally an authorized commissary shopper IAW DoDI 1330.17 (i.e. Active Duty Military, Military Retiree, their authorized family members, etc...) your access continues as normal, as well as Gold Star and Survivor Family Members. For the Dugway civilian workforce, the only authorized civilians who may shop at the Dugway Commissary are DoD civilian employees and employees of DoD contractors and their authorized family members who reside on Dugway.

Also, effective 1 Jan 2020 pursuant to section 621 of the John S. McCain National Defense Authorization Act for Fiscal Year 2019, DoD has expanded Commissary patronage to Purple Heart recipients, former prisoners of war, veterans with service-connected disabilities, caregivers or family caregivers enrolled as the primary caregiver for veterans in the Department of Veterans Affairs (VA) Program of Comprehensive Assistance for Family Caregivers, Medal of Honor Recipients, and veterans with 100% service-connected disabilities. The Veterans Health Id Card (VHIC) is the approved credential for these new veteran categories and recipients should contact the VA for assistance with their VHIC or other necessary documentation.

For those Dugway civilian workforce members who do not live on Dugway and are not within any of the above authorized categories, you are not authorized to shop at the Dugway Commissary. A roster of Dugway Residents will be maintained by the Commissary and patrons must show ID Card upon entrance to the Commissary to validate authorized access. Those attempting to access the Commissary who are not authorized may be reported to installation leadership.

We greatly appreciate everyone's support and assistance with access to the Commissary and understand this is a very difficult time for many as we work together through the challenges we face with COVID-19. As a community we will get through this and don't hesitate to contact me if any issues or questions.
