## MEDIA ADVISORY

For IMMEDIATE RELEASE

April 28, 2014

### Testing events to be conducted on APG

ABERDEEN PROVING GROUND, Md. – The U.S. Army Aberdeen Test Center, of the U.S. Army Test and Evaluation Command, here, plans to conduct testing involving several large detonations beginning on or about April 28, 2014 and ending on or about May 1, 2014. These detonations are likely to generate sound and/or vibration outside the installation boundary.

The U.S. Army Aberdeen Test Center, a test center under the U.S. Army Test and Evaluation Command, provides test and test support services for authorized customers, within the Department of Defense and outside the DoD, including government and non-government organizations, both foreign and domestic. ATEC plans, conducts, and integrates developmental testing, independent operational testing, independent evaluations, assessments, and experiments to provide essential information to decision makers.
